**Key Audit Matters.** 

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information.

Management is responsible for the other information. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information. And we do form of assurance conclusion thereon.

In correction with our audit of the financial statements our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements 0r our knowledge obtained on the audit or otherwise appears to be materially misstated.

### Responsibilities of Management and Those Charged with Governance for The Financial Statements and Internal Controls.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSS as explained in note, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 require the Management to ensure effective internal audit, internal control and risk management functions of the Company. In preparing the Financial statements, management is responsible for assessing the Company's ability the to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

### Auditors' Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial statements As part of an audit in accordance with ISAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain understanding of internal control relevant to the audit in order to design audit procedure that
  are appropriate in the circumstance.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organizations to cease to continue as a going concern.
- Evaluate the overall presentation. structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events and
  in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities to express an opinion on the financial statements. We are responsible for the

direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' unless or law regulation precludes report public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

### Report on other Legal and Regulatory Requirements.

Subject to our disclaimer of opinion above in accordance with the Companies Act 1994 we also report the following:

- a) We have not obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof
- b) In our opinion, proper books of accounts as required by law have not been kept by the Company so far as it appeared from our examination of these books;
- c) The Statement of Financial Position, Statement of Profit or Loss & Other Comprehensive Income Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, a notes to the Financial Statements dealt with by the report are not in agreement with the books of accounts and returns; and
- d) The expenditure incurred was for the purpose of BANAFUL SOCIAL WELFARE ORGANIZATION (BSWO)
